

Welcome!

We are looking forward to your stay at Geneva Beach Resort. Last summer was our first season as resort owners & our only complaint was that it went by too quickly.

A lot has changed in our world since the last time we saw you & we feel fortunate to have an opportunity to provide you a well-deserved get away with your favorite people. Geneva Beach Resort is our happy place & we know many of you feel the same way. We look forward to sharing it with you this summer.

This booklet includes information about the resort to help you prepare for your vacation. Please read it carefully, as we have made some changes in response to recommendations from the state.

Please fill out the enclosed registration form prior to your arrival. This will speed up your check in and let you get to the lake even sooner!

Let us know if you have any questions, and don't forget to pack your towels, swim suits, and fishing poles . . .

WELCOME TO GENEVA BEACH RESORT

Our office is open for check ins/outs, shopping, coffee, and chatting! We would love to see you during your stay, but understand this year you might prefer to head straight to your cabins. For our 2020 Season we are offering a zero contact check in/check out & you will find the details in this booklet. We trust you to make the best choice for you.

We spent much of the winter remodeling our office and game room, creating a more spacious and open area that lends itself well to social distancing.

Saturday check ins can get busy. You can help out by staying mindful of social distancing practices & sending one family member inside to check in when you arrive. If the weather permits, we will leave the office door open allowing additional space if several families arrive at one time.

2020 GENEVA BEACH SUMMER

Our goal at Geneva Beach Resort is to provide your family with memorable experiences during your stay. We stayed busy during our quiet season & are excited to share these amenities with you:

- ⇒ Upgraded **high-speed wireless internet** throughout the entire resort!
- ⇒ Last summer, pontoon rentals were popular & we are excited to offer **TWO pontoons** for our 2020 season.
- ⇒ Spacious office and retail space to make your coffee-sipping & shopping experience more enjoyable.
- ⇒ We upgraded our game room! We put the pool table away for the season to make room for **foosball** and **air hockey**. Now, fingers crossed we are allowed to open these up to the kids (big & small) soon!
- ⇒ We added a third high-capacity **washer/dryer** to make sure there is always one available when you need it. Craig also added a built-in folding table for you.
- ⇒ **GRILLS!!!** No more sharing grills in our Suites & Studios. We purchased enough Weber gas grills so every cabin now has their own. Just let us know if you prefer charcoal and we will deliver it to your cabin (free of charge, of course).
- ⇒ Several guests shared a desire for bowls for transporting fish fillets from the cleaning house to their cabin. This year, you will find plenty of bowls to use in the cleaning house. Please wash & return bowls when you are finished. We will have 000
- ⇒ **Beach** Access: Our soft sand beach is a popular amenity. We added in a new retaining wall, doubling seating space in front of the water & creating additional beach space for water toys. A new walkway also makes the beach more accessible.

We know that 2020 has brought many difficulties to our Geneva Beach Families & look forward to providing you a much-deserved getaway this summer. Your health & comfort are a priority so we have studied CDC guidelines and recommendations from the Minnesota Department of Health, collaborated with other resort owners, & amped up our already high standard cleaning protocols.

Paddle Boats, Kayaks, and Paddle Boards are complimentary for resort guests. Please ensure all guests engage in water safety & follow these rules while at the resort.

- * Supervise children when using paddle boats, boards, and kayaks.
- * Life Jackets are required, by law, if you take the kayaks, paddle boards, and paddle boats outside of the swimming area.

- * Do not put sand, weeds, water, or bait in the paddle boats or kayaks.
- * Return paddles to rack right away so they do not float off!

LIFE JACKETS

Complimentary Life Jackets are located in the fish cleaning house. Feel free to sanitize before using. Return & hang up when you are finished!

AQUA JUMPS / WHOOSH PAD

Aqua Jumps are complimentary for resort guests. Please ensure all guests in your party engage in water safety & follow these rules if they choose to use the Aqua Jumps.

- ⇒ Supervise children at all times.
- ⇒ Due to their proximity to the water, we will not sanitize the Aqua Jumps. We trust our guests to decide for themselves of whether or not you want to use the Aqua Jumps and Whoosh Pad this summer.
- ⇒ **Social Distancing: Please limit one household/cabin group at a time on the Aqua Jumps/Whoosh.** Please talk to your kids about this before arriving at the cabin. This is a change from previous seasons and will require taking turns!
- ⇒ **Absolutely, NO diving or pushing/throwing** other people off the Aqua Jump. This is dangerous to you and other guests.
- ⇒ Paddle boats may be taken to the Aqua Jump & tied to the hooks.
- ⇒ Do NOT take paddle boards or kayaks to the Aqua Jump. They WILL puncture the sides. It takes a minimum of one week to patch a hole on these toys, when repair is even possible.

We want you to enjoy your time on the water with your families, and that requires being mindful of water safety at all times. Please make sure all members of your party are aware of these rules before arriving at the lake.

HOUSEKEEPING

Our cabins are light housekeeping cabins. This means they are professionally cleaned & sanitized between stays, but your get-away will not be interrupted by a daily housekeeping service.

You are responsible for leaving the cabin in the condition in which it was found. This includes taking out the trash, cleaning & putting away the dishes, and returning items to their proper locations.

All linens, blankets, and shower curtains are washed between guests. There will be one blanket on each bed. If you tend to get chilly at night, you might consider packing an extra blanket.

All of our linens are laundered and sanitized differently at the resort. You can help us out by removing used sheets, pillow cases and blankets from beds. Please separate blankets from sheets/pillow cases in piles. This allows us to remove used bedding from cabins quickly and efficiently before our cleaning crew arrives.
